EDUCATION

Master of Philosophy (Computer Science), the University of Hong Kong Sep 2023 - Jun 2026
Supervisor: Prof. Wu Chenshu (primary) and Prof. Wu Chuan (secondary)
Rated Top 5% of MPhil&PhD Graduates

Bachelor of Engineering (Computer Science), the University of Hong Kong Sep 2019 - Jun 2023
Major: Computer Science, **Minor:** Finance
CGPA: 3.75 / 4.30, First Class Honors Graduate

PUBLICATIONS

-
1. **Songlin Huang**, Chenshu Wu. Neutrino: Fine-grained GPU Kernel Profiling via Programmable Probing. In the proceeding of the *19th USENIX Symposium on Operating Systems Design and Implementation (OSDI '25)*.

WORK

Graduate Software Engineer Jul 2026 - Now
IMC Trading, Hong Kong

- Build and tune the IMC Trading System.
- Obtain solid software engineering fundamentals, prototyping skills and collaborative skills in a global team.

Member of Technical Staff Intern Feb 2026 - Jun 2026
Netpreme Corporation, Cambridge, MA

- Build and tune the Compression Algorithm (Huffman Code) for big data.

Research Intern Jun 2023 - Aug 2023
miHoYo, Shanghai

- Improve eye-tracking performance in high-quality digital avatar streaming pipelines.
- Gain experience in implementing, troubleshooting and debugging real-time system.

TEACHING

Teaching Assistant - COMP3230 Principle of Operating Systems Fall 2023 & Fall 2024
Department of Computer Science, the University of Hong Kong

- Teach OS tutorials for multi-threading, including concurrency, mutual exclusion, synchronization, etc.
- Prepare and grade assignments on multi-processing (UNIX API) and multi-threading (pthread related).

HONORS AND AWARDS

-
- **Postgraduate Scholarship**, Department of Computer Science, the University of Hong Kong , 2023
 - **Dean's Honors List**, Faculty of Engineering, the University of Hong Kong, 2020, 2021, 2022

SKILLS

System: GNU/Linux, POSIX, Observability (eBPF, ptrace), Virtualization (Container, WASM).
Network: Protocols, Congestion Control, Collectives (MPI/NCCL).
Others: Proficient in Python, C, C++, ASM (x86/ARM...). Comfortable to work in CLI. Fluent in English.
